

LOCAL ROOTS FARM

2017 Community Supported Agriculture

Local Roots is a 17-acre family-operated farm located about 25 miles outside Seattle, in the Snoqualmie River valley. 2017 is our eleventh season farming and offering our popular CSA program. A wide variety of crops thrive in our mild climate and world-class soil and we grow more than 50 different vegetables and herbs. CSA subscribers receive a box of freshly harvested vegetables once a week during the growing season. All produce is grown by us, here on our farm.

Dates: August 29th through November. Every Tuesday through October 24th, plus 3 double-size boxes delivered on October 31st, November 14th, and November 28th.

Price: We offer two share sizes: **\$330 for the standard box or \$412.50 for a large box.** The standard box is suitable for a household of two people who cook at home three to four nights a week. The standard box includes 7-10 items (e.g. 1 head lettuce, 1 bunch kale, 1# carrots) each week. The large box option will typically have one or two additional items and/or larger quantities of staple items like salad greens, potatoes, squash, broccoli and green beans.

Payment: We are not set up for online signups or to take credit cards, but we do accept an assortment of e-pay options, which are usually free for both parties. To sign up paperlessly, email Siri with your preferred pickup location and to confirm payment details. **Full payment is due by August 25th.**

Vacation/missed pickups: For pre-planned absences, you may pro-rate your subscription price. Dates must be chosen and confirmed with us prior to the start of the season. We do not offer a refund or credit for missed pickups.

2017 Pickup Locations: We have 15 neighborhood pickup sites throughout Seattle, plus on our farm in Duvall:

- Capitol Hill (Aloha & Boylston)
- Capitol Hill (17th & Galer)
- Madison Valley/ Madrona
- Rainier Valley/ Jackson Pl.
- Columbia City
- Queen Anne
- Wallingford
- Maple Leaf
- Northgate
- Northeast Seattle
- Phinney Ridge
- Ballard
- West Seattle
- Downtown Seattle
- Magnolia
- Duvall
- Woodinville
- On-far

Our Growing Practices: Local Roots uses no synthetic inputs on our farm. We build soil fertility with cover crops and compost, control weeds with tractor and human powered tools, minimize insect damage with spun-fabric row cover, and accept a certain amount of crop loss due to pests, disease, and bad weather.
